

# Industry Partnerships Serving Montgomery County 2019-2020

## Health Care Connect (HCC)

HCC's mission is to advocate for the advancement of the health care industry through training, outreach and other industry strategies. In collaboration with participating hospitals, continuing care facilities, acute rehabilitation facilities, educational institutions, workforce development boards and other resource providers, HCC develops programs, trainings and workshops for individuals and companies to help recruitment and retention of health care workers.

The **Southeastern PA Healthcare Alliance (SEPHA)** brings together the full spectrum of healthcare providers: acute care, long-term care, assisted living, rehab facilities, retirement communities, skilled nursing facilities, and home health providers; educators; and workforce development partners in Montgomery, Delaware, and Bucks Counties. As a regional healthcare workforce partnership, SEPHA focuses on assessing and addressing healthcare employers' workforce needs and gaps, helping low-skilled workers gain the skills, trainings and credentials necessary to advance in healthcare careers.
