___________________ & _______________

Walk along the driveway and turn right onto the Governor’s Trail, than take another right to the sign at Site F and read it carefully.

11. What types of flowers grow in the meadow?

12. What types of flowers grow in the meadow?

13. Why do we need to provide pollinator-friendly wildflowers? Name one answer.

Walk to the driveway near the mansion at Site G.

14. When you visited the Pennypackers you would have tied your horse to this so they would not wander away. What is it?

15. What animal is on the top of the post?

16. On either side of the mansion doors are terracotta roof tiles. In the original Dutch, the name of the family was “Pannebakker” or “Pannebecker.” “Panne” means pan roof tile and “Bakker” means baker or maker of roof tiles, which was the family’s original job in Holland. Draw this tile in the box.
Welcome to Pennypacker Mills!

Your Treasure Hunt journey starts at the Pennypacker mansion. Use the map to guide you around the property and answer the questions.

We hope this fun activity teaches you something about the Governor and his family and the history of this historic site.
