

Question:

What in
Montgomery County is ...
green,
teeming with life,
and available for
all to enjoy?

RETURN ON ENVIRONMENT

The Economic Impact of Protected Open Space in
Montgomery County, Pennsylvania

Montgomery County Planning Commission

September 2022

Answer:

Our parks, trails,
forests and farms ...
all of the protected places
we love to visit and explore!

**SAVING LAND
SAVES MONEY**

Montgomery County recently completed the *Return on Environment: The Economic Impact of Protected Open Space in Montgomery County, Pennsylvania* study. The study's findings reveal that the "return" on the county's protected open space is astounding – resulting in **MILLIONS** of dollars in savings, earnings and avoided costs each and every year.

To get the scoop on
the dollars and cents...
read the study and
