MONTGOMERY COUNTY WORKFORCE DEVELOPMENT BOARD, MONTCOWORKS
WIOA INCUMBENT WORKER TRAINING POLICY

PURPOSE
The purpose of this policy is to articulate how Incumbent Worker Training (IWT) funds are to be administered in Montgomery County under the Workforce Innovation and Opportunity Act (WIOA), and to provide guidelines to employers seeking Incumbent Worker Training for employees who require additional skills to retain employment or avoid layoffs.

BACKGROUND
The Workforce Innovation and Opportunity Act (Public Law 113-128) is a 2014 law designed to help job seekers across employment, education, training, and support services succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. This policy applies to all Montgomery County Adult and Dislocated Worker participants who will participate in IWT as well as employers and/or training providers through which an IWT contract is established.

  • Wages paid to the participant while in training can be included as part of the employer share and can be provided as cash or in-kind that is fairly evaluated.

Employers who seek funding for Incumbent Worker Training must enter into a contract with MontcoWorks that details the above requirements and determines invoicing processes.

The employer size is defined as the number of employees currently employed at the local operation where the incumbent worker training placements will be made. Employer size is determined by the number of employees at the time of the execution of the incumbent worker training contract. This applies to all employers, including employers with seasonal or intermittent employee size fluctuations.\(^9\)

Official payroll records documenting the worker’s hours and wages must be utilized to determine the amount of the employer’s share of cost.\(^{10}\)
