Certain facilities within the Montgomery County Division of Parks Trails & Historic Sites may allow the service and consumption of alcoholic beverages on property if the following conditions are met and permission is granted by the site’s Region Manager. To obtain a permit which allows alcohol, an application for permit form must be completed in addition to the form below. The application for permit form is due at the same time as the original facility request/rental agreement. Any violation of the conditions could result in immediate termination of permit and denial of future requests. If an alcohol permit is terminated for any reason, no refunds will be issued. All alcohol fees are non-refundable once the process is started.

- Designated facilities which allow for alcohol consumption by a permit are:
  - Lower Perkiomen Valley Park – Main Pavilion
  - Central Perkiomen Valley Park – Old Mill House
  - Green Lane Park – Stone Pavilion
  - Pennypacker Mills – Classroom

Conditions:
1. The event should be by invitation only, such as a wedding reception, or by tickets which are pre-sold. Ticket sales are not allowed on-site for the event.
2. Alcohol may only be served and must remain within the designated “rental” area of the site. No alcohol will be permitted on regional trails or trailhead parking lots.
3. All liquor service must end 30 minutes prior to the event end.
4. Food must be available at all times that alcoholic beverages are distributed.
5. Groups of 80 or more must have a professional bartender for all dispensation of alcohol.
6. Any groups under 80 must have a responsible adult(s) to monitor alcohol service.
7. All federal, state and local laws apply to the service of alcohol, including, but not limited to public drunkenness, service to minors or under the legal drinking age (21).
8. Pre-purchased event tickets that include the sale of alcohol may require a liquor license from the Commonwealth. It is the responsibility of the permittee to legally serve any beverage.
9. Alcohol consumption will be done in an appropriate and discrete manner for the location.
10. No food or beverage will be served/consumed within the historic structures without prior permission, in writing, from a Montgomery County Historic Site Curator or Historic Site Supervisor.
11. If at any time the staff of the Division of Parks, Trails & Historic Sites feel that the event serving alcohol is no longer in keeping with the appropriate use of the site, they will tell the permittee to stop the service of all alcohol. If the behavior continues, and warnings go unheeded, the local authorities will be notified.
12. All Montgomery County Rules and Regulations apply as well as any site specific rules.
13. The person signing the permit is fully responsible for the service of alcohol and the behavior of the guests consuming the alcohol.
14. Groups wishing to erect a tent for an event in which alcohol is desired will be assessed on a case by case basis. All tent fees and special use permit fees will apply.
Internal Only ---- Guidelines for Alcohol Permit:

1. All sites/facilities directly managed by the Division of Parks, Trails & Historic Sites may have site or Friends group sponsored events which allow for the service of alcohol which directly benefit the location of the event or enhance a sponsored activity. (Examples—wine at an exhibit opening, beer at a volunteer picnic or an event involving alcohol that may historically relate to a site such as a “tavern” night.) Conditions 2-9 will be followed. No fees will be charged to Friends groups.

2. Sites directly managed by Memorandum of Understanding (MOU) with a partner will follow the guidelines expressed within the MOU.
