

## Overview

The [Pennsylvania Strategic Investments to Enhance Sites Program \(PA SITES\)](#) was established to provide grant funding to eligible applicants to develop competitive sites for businesses to relocate or expand within the Commonwealth. The program is administered by the Pennsylvania Department of Community and Economic Development (DCED) through the Pennsylvania First Program (PA First).

The program is intended to serve as gap financing for strategic sites that need financial assistance to help reduce development risk for businesses. The grant funding is intended to help finance strategic investments that will enhance sites across the Commonwealth to effectively compete for expanding and relocating businesses. The program will help reduce development risk for businesses by timeline reduction from the development of public infrastructure or reducing unknown development costs.
