WHY SHOULD I TAKE MY COURSE WITH SARS?

- Flexible schedule with evening classes and skills every other week
- Emergency Vehicle Operator Course (EVOC) included
- Increased skills practice time with 10 hrs of field/clinical rotations every 2 weeks on SARS ambulances and observation time with our partner clinical settings
- On average, SARS EMT graduates have a 74% first-time pass rate (85% within 3 attempts) on the NREMT exam compared to the PA first-time pass rate of 63%
- Opportunity for an accelerated hiring process at SARS and tuition reimbursement
  - Must successfully complete course and receive EMT certification
  - Must serve 1 year at SARS as qualified corpsman/driver
- No additional costs for uniform shirt, text book, test prep app, blood pressure cuff, stethoscope, penlight and respiratory PPE
